

MARCH 4 2022 4:28 AM ZULF REVEALS MY OUTLOOK TO UNITED STATES GOVERNMENT

ZULFIKAR MOINUDDIN AHMED

By November 4 2020, more than a year ago, the Demon, the one you know as *Bill Gates* assaulted me so horribly that England's Royal Menders considered and found that any Bengali man would have died then. I survived because I am an Archangel of Heaven.

You see, there are millions of worlds like this. This, planet Earth, is inhabited by the Angelic Race, human beings. Most human beings incarnate Angelic souls, not Angel souls. The procedure I have written about elsewhere.

I have been an Archangel for billions of years before my birth here on Earth. And will be after my death for billions more. I have been born in a million worlds like this one before. So I can tell you from my own experiences that if I invoke the authority of Heaven and judge that United States being erased is better for the Human Race, very likely it will be implemented by the Human Race.

There are of course no certainties, but experience tells me that this is very likely.

Now an Archangel of Heaven is not interested in conflict with any nations. We are here with wider goals. I have discovered here that the Human Race is an Angelic Race, and that is important, for you were confused about your moral Virtues and values. There is little doubt that Human Race, independent of ethnicity, are Angelic.

This *Bill Gates* is not Angelic. He is a Demon. I do not appreciate a nation that would side with a Demon against an Archangel. It's not personal. This spells trouble for the Human Race.

I will not hesitate to invoke the Authority of Heaven and seek the erasure of United States of America if it is very clear that you will be a threat to the Human Race.

If you want to disbelieve me and continue to support Bill Gates while he has destroyed my Deep Interior with vile unholy magics and US War and US Industrial Power in horrific ways, go ahead. But do not later resent my good decision to judge against the continued existence of the United States of America.

If you manage to survive my judgment for a decade, consider yourselves quite resilient. A judgement of an Archangel of Heaven is not a frivolous matter. I will stay my hand here for some more time, but I will certainly assess your threat to the Human Race before I pass away.

Ah yes, I am by *faith* an Archangel of Heaven. I believe that I am the only Archangel of Heaven incarnate at the present moment on this world, Earth. There are trillions of Archangels in the Universe. They are not on Earth at the moment.

1. ARE YOU GOING TO TAKE BILL GATES SIDE AGAINST MINE UNITED STATES GOVERNMENT?

Look, United States Government, I don't really give a damn. Bill Gates is genocidal war criminal and I am a law-abiding American who is worth 20 thousand times the miserable abominable little twat. If you take his side against me, United States of America I will judge against and the nation will not exist. I think that is for the best. We can't have this sort of nation on Earth at all.

Thank you,
Zulfikar Moinuddin Ahmed
