UNITED STATES GOVERNMENT**

United States Government,

I am getting physically hurt and my American Dream has been devastated by Bill Gates. He totally destroyed everything in my Deep Interior. You should have physically destroyed the malignant cancer and racial cunt in 1972. But despite repeated messages that I am a victim of the worst war crimes in history according to United Nations, you refuse to destroy this malignant pathogen and racial murderer, a total worthless charlatan and born psychopath for more than a year.

You will have to understand that I will rip up United States of America and erase it from history altogether if you do not physically destroy Bill Gates. I am more than capable of doing that.

I will not keep warning you. Destroy Bill Gates physically, without further delay, or mark your calendars for total elimination of the United States of America from existence. I am getting mighty irritated about your incompetence and corruption. The world does not need United States of America at all unless it operates by its charter, the US Declaration of Independence Preamble.

Thank you,

Zulfikar Moinuddin Ahmed
