

**NO ONE IN ASIA OR EUROPE WILL ACCEPT UNITED
STATES OF AMERICA AS A LEGITIMATE ORGANISATION IF
YOU DO NOT DESTROY BILL GATES SOON**

ZULFIKAR MOINUDDIN AHMED

United States Government. I am Asian-American. My Permanent Residency is USCIS# 046-077-179. It expires in 2031.

I can guarantee that since I have repeatedly invoked United States Declaration of Independence Preamble, for more than a year, and Bill Gates had cut into my eye with destructive harmful intent breaking all national and international law, and you, the United States Government are bound by the nation's charter to secure my Natural Rights – which necessitates the total destruction of Bill Gates. But despite knowing that he is an extreme white supremacist butcher you have refused to eliminate and destroy him.

This refusal has the consequence that United States of America, an experiment of 250 years will end and it will cease to exist. You, the United States Government, have been bombing the entire world and just with drones you have killed $N(11, 200, \sigma = 223)$ people. You have used 'human rights' to browbeat all nations of the world since 1945. And yet you have allowed the rise of one of the worst evil criminal disgusting human beings in history of humanity, *Bill Gates* to run amok exercising illegitimate power to kill and murder non-whites and pursue a white supremacist world order.

You will have no legitimacy at all in United Nations, in European and Asian capitals and the nation will not survive. You see, United States Legitimacy is only contingent on US Declaration of Independence Preamble, to the extent that governments are instituted among men to secure natural rights. And the moment this is not what is happening in America, the nation has no legitimacy. All the aircraft carriers and nuclear silos cannot save the United States then from extinction.

Your best hope is to totally destroy and wipe out Bill Gates. I have been warning you for a long time about this. But instead of bringing Bill Gates to justice, you have sent FBI to storm my home and threaten me with felony charges. Instead of bringing Bill Gates to justice you have denied me my Liberty for a week in mental health incarceration. Instead of doing what is right, you have supported the malevolent criminal. London Human Rights Watch found that it was one of yours who had colluded with Bill Gates to destroy me.

You can play this game for how long, United States Government. You must destroy Bill Gates completely, or you will face total disintegration and delegitimation.

1. BILL GATES IS A TROUBLEMAKER WHO NEEDS TO BE ELIMINATED

United States of America is not a 'white country'. From its origin it was a multi-ethnic classical liberal democratic republic and formally, by US Declaration of Independence Preamble, the august voice of the American People said 'We hold these truths to be self-evident that all men are created equal'. Modern molecular human genetics corroborates this, as all human beings on Earth are found to share 99.9% of the genetic code in common, and therefore there is no inequality at conception for all human beings.

To the extent that there is a majority white it is only 60% and 40% of Americans are not white. Bill Gates is a racial supremacist who is a trouble-maker and who does not conform to the 1945 international laws that outlawed slavery and conquest and is on a secret war to destroy and harm non-white people.

United States is obligated to secure Natural Rights of his victims such as myself as well as promote universal natural rights security.

The cost of failure here is not a small penalty for racial bias cases and a slap on the wrist but total elimination of the United States of America. The world cannot tolerate this sort of thing after Nazi Germany produced a horrible world war.

2. UNITED STATES GOVERNMENT YOU WILL BE HELD RESPONSIBLE FOR ALL HARM TO ME BY BILL GATES

I am just amazed at the attitude of the sovereign government of the United States in a situation where a malevolent criminal uses his dickwad to cut into the eyes of an American man, myself, with more than 24 years of Permanent Residency, after he almost kills me by November 24 2020, and more than a year later you are still confused and pretending to be *curious onlookers* while it was your Constitutionally mandated duty to secure my natural rights and you still talk to Bill Gates as though he is a legitimate businessman and not a vile savage barbaric racial murderer. In the end it will be top white officials of United States Government who will be hauled off to Nuremberg trials and executed. This does not seem to occur to your puny incomprehending minds. It's your life on the chopping block United States Government. You are actually *responsible* for all violations of natural rights on American soil. Bill Gates is just a criminal. He's not important to the world. It will be you on Nuremberg trials in the end.
