REMINDS THE UNITED STATES GOVERNMENT I WILL
TOTALLY ELIMINATE THIS NATION PERMANENTLY IF YOU
DO NOT DESTROY BILL GATES PHYSICALLY**

Bill Gates cut into my private meta and with explicit intent to hurt my body physically. You are not responsive enough. I will totally eliminate the United States of America if you do not destroy Bill Gates *physically* soon. You are responsible for this, United States Government, and you cannot be trusted to secure natural rights of Americans and should not exist at all. I have warned you already many times. Your time is running out.

Thanks,
