OPEN LETTER TO UN SECRETARY-GENERAL ANTONIO
GUTERREZ**

Dear Secretary-General Guterrez,

Due to collusion of United States Government officials, Bill Gates had cut into my Blood Meta and into my Deep Interior with enormous use of US War Power and US Industrial Power in acts that constitute War Crimes and Crimes Against Humanity.

I would like you to eliminate the United States of America altogether as a legitimate nation for these grave criminal acts against its own people. I have United States papers.

Date: February 26, 2022.

I do not believe that the United States Government has ever been in compliance with US Declaration of Independence Preamble at all from 1770s and I have given them many many warnings to destroy Bill Gates but I suspect now that they are not a real government at all and are deliberate in their conspiracy with war criminals to hurt American people.

Thanks,

Zulfikar Moinuddin Ahmed
