

**MARCH 13 8:45 AM ZULFIKAR MOINUDDIN AHMED WARNS  
UNITED STATES GOVERNMENT**

United States Government,

I gagged physically since Bill Gates is *extremely harmfully* still considering in my personal deep interior causing huge damage to my health.

You see, you don't have any discretion in this matter. You have to destroy Bill Gates for violation of national and international criminal law and crimes against humanity and war crimes.

White people have a penchant for forgiving horrific vile evil unforgivable monsters when they are white. He is not yours to forgive. Why don't white people spend more time forgiving those who have harmed themselves and their loved ones and spend less time forgiving white criminal monsters who have harmed non-white people.

It was the same with Mai Lai Massacre in Vietnam in 1978. You pretend that they were yours to forgive. The horrific vile mass murderers were forgiven when the victims of their horrific vile crimes were non-white.

You don't have any discretion here. You must totally physically destroy Bill Gates. Otherwise United States of America does not deserve to exist and will not exist. You will have my word that I will make a serious effort to eliminate the nation from existence.

Thank you,

Zulfikar Moinuddin Ahmed

**1. UNITED STATES GOVERNMENT IS OBLIGATED BY CONSTITUTIONAL  
MANDATE TO ELIMINATE BILL GATES BY PHYSICAL DESTRUCTION**

Bill Gates has always been a malevolent force in America, although he hid it from foolish United States Government officials. He has admitted to being drawn to great evil from early age. He has committed *War Crimes* against me, and he has admitted to (a) killing many people in his five decades of life by meta means, (b) having racial genocide plans in the United States.

Since US Declaration of Independence Preamble explicitly makes the *natural rights security of Americans* the purpose of government, and since he is obviously a threat to natural rights and even life of 40%, roughly 100 million Americans who are nonwhite, the governments obligation, above and beyond any commercial priority, by Constitutional mandate, to destroy this threat. This threat cannot be mitigated without physical destruction of Bill Gates, and the government is thus *obligated to destroy Bill Gates*.

*Date:* March 13, 2022.

I do not believe that United States of America has any right to exist if the United States Government does not fulfill its Constitutional duties.

## 2. UNITED STATES WILL GIVE UP OPPORTUNITY FOR NATURAL RIGHTS WORLD ORDER

I am Asian-American and it was I who promoted Natural Rights World Order. It's obvious that Russia felt threatened by NATO incursion towards Russia with Ukraine next and is engaged in ensuring Ukraine does not become a NATO military fortress right next to Russia.

Unless Bill Gates and other malevolent war criminals are disallowed from destroying American lives, it is unlikely that United States of America will have more sway globally.

United States Government in underestimating the cost of consorting with enemies of Natural Rights like Bill Gates and his malevolent evil co-conspirators. American people are sick of wars and will not react well to wars in Eastern Europe at all.

Strategically not destroying Bill Gates will cost United States its entire future. United States today is a worse violator of Natural Rights in the world and this spells the end of American global influence.

## 3. UNITED STATES GOVERNMENT DESTROY BILL GATES IMMEDIATELY

Look United States Government, Bill Gates is not human. He's a Demon. He's not a bad man. He's a Demon. He's not slightly misunderstood and has some good in him. He's a Demon. Do you understand. I have been an Archangel of Heaven for many billions of years. You ought to destroy him physically immediately. He's a Demon. Don't pretend you know him better than me. You don't. I am an Archangel of Heaven and you're not. Kindly destroy him physically immediately. Human Race is one of my favourites. Among millions of Angelic Races. It is most unfortunate that unscrupulous people like you are in United States Government. A Demon can wipe out the entire human race. Destroy it immediately.

Posterity will burn all your progeny if you fail to heed my words.
