BELIEVES WHAT BILL GATES HAS DONE TO MY LIFE IS
MUCH WORSE THAN MAI LAI MASSACRE OF VIETNAM**

The harm Bill Gates has done to my physical body and my life, my livelihood, my American Dream, during peacetime in America, when I have been an Asian-American immigrant with Permanent Residency for more than a quarter of a century is much more horrific than the Mai Lai Massacre in Vietnam where American military had indiscriminately slaughtered an entire village filled with pregnant women and children, non-combatants, leaving a path of slaughtered people in the paths around the village, more than five hundred people.

I will be moving to strike down the United States of America unless United States Government brings Bill Gates to justice. I am a man of great Conscience and in this case I will not risk my eternal soul for a mere nation.

United States Government, you leave me little choice but to begin preparations to eliminate the United States of America from continued existence. I do not see anything worth keeping if you allow War Criminals run amok harming Americans in peacetime without cause and refuse to secure natural rights when asked.

1. AFTER SEEING WHAT BILL GATES HAS DONE TO MY PRIVATE META

Look, United States Government, it is an absolute moral duty for me to totally annihilate United States of America from any continued existence unless United States Government totally physically destroys Bill Gates. Please take note. I will not shirk my duty and eliminate the United States of America completely.

I don't really give a damn what your excuses are. Unless Bill Gates is totally destroyed I will put 100% effort to annihilate and erase the United States of America from existence.

Ignore my warnings at your peril.

Thank you,

Zulfikar Moinuddin Ahmed
