United States Government,

You better become enthusiastic about destroying Bill Gates right away. Harvard consider showed unprecedented harm in my personal blood meta that will permanently destroy my life with *War Crimes* deliberately conducted over more than a year day and night with repeated racial slurs and 'whites are superior' using US Government powers such as US War Power. Let me remind you of the consequences: (a) United States of America will be nixed altogether as a barbaric uncivilised entity, and (b) all white American people might have to be culled for the safety of Eurasian people since white Americans produced this monster.

You don't have forever. Now if you rather take the risks of (a) and (b) because you think they are unlikely, do so with explicit warnings delivered to you. You bear the burden of responsibility for events (a) and (b) consciously and the reason will be your lack of enthusiasm for destroying Racial Genocidal War Criminals like Bill Gates.

1. ARCHANGEL REASONING REGARDING AMERICAN WHITES

All men on Earth are created equal, and endowed with their Creator the inalienable natural rights of Life, Liberty, and pursuit of Happiness. Governments are instituted among men to secure these rights.

This holds true for 200 million American white people and 7.6 billion people who are not.

Now if the 200 million American white people are always causing harm to natural rights of 7.6 billion people on Earth, such as wiping out Native Americans, enslaving and torturing blacks, starting wars based on lies in Asia repeatedly and destroying countries and misbehaving, it is quite reasonable to just wipe them out and allow the 7.6 billion people who are not American whites to live in peace and harmony.

No one likes these violent troublemakers. Behave or else.

2. WHITE PEOPLE IN US GOVERNMENT

Bill Gates has totally destroyed everything in my Deep Interior, things that are necessary for having any possibility of reasonable life, by far the worst *War Crime* ever recorded in history. You were extremely incompetent and you allowed this to happen. I will ask that every single white person in US Government is fired without any pension as punishment as well as being considered accessory to a Crime Against Humanity and War Crime.

Date: March 17, 2022.

You ought to have destroyed Bill Gates physically the moment he breached my Blood Meta. I don't have any sympathy whatever for how you will suffer afterward. You don't deserve any sympathy at all.

Thank you,

Zulfiakar Moinuddin Ahmed USCIS# 046-077-179
