WILL DEDICATE MY LIFE TO EXTINCTION OF UNITED

United States Government,

I know that you allowed Bill Gates to destroy my life despite his War Crimes  
and despite my American papers here:

Russia asked you why you allowed this and you said Bill Gates is more valuable to you than myself. This is wrong. I, Zulfiqar Moinuddin Ahmed, am objectively a thousand times more valuable to the United States and the world than Bill Gates.

What you did was not just wrong but fatal to the continued existence of the United States of America. But know this, that your evaluation was not just a little wrong but a thousand times off.

I, Zulfiqar Moinuddin Ahmed, am a thousand times more valuable than Bill Gates, always was, and will be remembered for a million years as such.

But you are who you are and have done what is your nature. United States of America will not exist for this error of yours. Know this, and do not be surprised.

# 1. REMINDER OF WHAT YOU HAVE ALLOWED HIM TO DO

You have allowed Bill Gates to breach my Blood Meta and Deep Interior using non-existent 'white right of Conquest' and then destroy my life in America, steal my money, use US War Power and US Industrial Power in my Deep Interior and destroy my American Dream.

The consequence will be the extinction of the United States of America. I have warned you many times, and you provided no remedy. You have only yourselves to blame for the inevitable consequences.

Thank you,  
Zulfikar Moinuddin Ahmed
