SEEKS IMMEDIATE PHYSICAL DESTRUCTION OF BILL  
GATES BY US SENATE DECISION**

From about late 2019 Bill Gates had occupied my Deep Interior. I have not had a single days restful sleep. He is deeply disgusting in his abuse of power and says that he is preparing me to be a serf. He harms me with Hannover Power for blood clotting and disturbs all eight hours of sleep every night so I have no restful sleep. He calls Hannover power "shit, piss, and cockroach serum". I am American of Asian descent. He does not belong alive in this country at all. He ought to be totally destroyed physically. United States Senate ought to vote for this right away.

Thank you,

Zulfikar Moinuddin Ahmed
