United States Government,

My patience is not infinite. The harm to my deep interior is extremely bad and Bill Gates is continuing to harm me every day. I will eventually move to warn Asia to distrust all white people which will not be good for you. Keeping Bill Gates alive is equivalent to betraying my natural rights and he is the malevolent destructive lawless man and I am the good American who did not break laws and was pursuing productive goals. I believe in a single human race and in natural rights security for everyone. If you want white people to be collectively distrusted, you are doing a fantastic job. I am Asian of aristocratic lineage and can move all of Asia against white people that will cause you to lose your entire Empire in the world soon enough. Do you want to keep doing this? It's up to you. If you really think that you will be able to destroy me, keep Bill Gates around and let it 'wash over' time you are sorely mistaken. Bill Gates already did enough harm to trigger World War Three. You did not even win in Afghanistan and Vietnam. Do you want to give legitimate reason for all 4.5 billion Asians seeking to invade the United States? Are you in cahoots with Bill Gates Racial World Order?

1. BAD RELATIONS WITH ASIA IS RISKIER THAN WORLD WITHOUT BILL GATES

Look Bill Gates is a rotten-to-core murderous criminal cunt who spawned from the bowels of Hell and he is a pure liability for America. Now if you support his sort of lawless racial hateful malevolence, then United States of America will be extinguished in less than half a century. Asia is wealthier than America and Europe in GDP and will not be able to deal with America eventually at all if this sort of scumbag like Bill Gates is kept around. He was a hick illiterate charlatan without any coding talent and spent his entire life conniving plots for White Racial Dominance World Order and Genocide of non-whites in America and such things. Your *values* and your true colours are clear to Europe and Asia by how cavalier you are when a perfectly law abiding man with Ivy League Education of Asian origin such as myself is respected by his own American government. He did not deliver better things to the country than I did. I never cut up anyone's eyes and destroy their interior and I never used black magic from thirteen to get ahead. He is a miserable black shameful mark in American History.

Date: February 22, 2022.

2. STANFORD UNIVERSITY FINDS BILL GATES "CONTROL" POWER IS
EXTREMELY HARMFUL AND MURDEROUS

Bill Gates has illegitimately destroyed all my ethnic meta in my Deep Interior needed for life sustaining operations and is using his meta that included harmful and corrosive US War Power meta that is guaranteed to kill me even with efforts by Stanford Central to sustain it. I seek immediate relief from United States Government. United States Government must totally destroy Bill Gates before my health and natural rights can be restored.

I will seek the end of United States of America altogether if you do not comply. Bill Gates assaulted my Body and Life with US Industrial Power, US War Power, White Racial Power and European Black Magic Power breaking national and international and religious laws and totally destroyed my deep Interior. He must be physically destroyed. Employ lethal military force and physically destroy him immediately.

Thanks,

ZULFIKAR MOINUDDIN AHMED
