United States Government,

I see that you have swapped out my *higher meta* in order to avoid being implicated in War Crimes trials as accomplice of Bill Gates. You ought, instead, have destroyed Bill Gates more than a year ago when he breached my Blood Meta. Having botched things more than a year ago, before English Royal Menders' consider found that he had done enough harm to me by November 4 2020 to have killed any Bengali man, more than a year ago, you still have not mended lower meta that affects my physical body.

You have decided deliberately not to protect my eye and the horrid war criminal Bill Gates you valued more than me and refused to destroy him even though that is the foundation of your charter. Even though governments are instituted among men to secure natural rights. Even though my American credentials are rock solid.

Who the hell is this cunt? This Bill Gates? What has he done? I have done infinitely greater things than him. And you insolently devalued me and valued him over me for what reason?

You will have to pay, and you will have to pay a great price for your insolence and betrayal of Zulfiqar Moinuddin Ahmed. I am a great immortal genius you stupid fucks. There will be reckoning for your refusal to honour your implicit promise in my Permanent Residency contract.

Date: March 23, 2022.

1. BILL GATES POWER CONSIDERS PHYSICALLY DAMAGED MY BODY

My brother got some marijuana from a neighborhood man. And I am taking some and I notice that even THC is not affecting the pains. Bill Gates power consider blocked *endorphin* levels and so my body is in pain by his war crimes with power maneuver, especially use of White Power to harm in my Body meta. I do want very much to ensure this criminal is taken out of circulation. He will harm 100 million Americans and billions of people who are non-white across the world.

It is your duty, United States Government, to destroy him physically. This is not a private gripe by a man who feels that my life and fortune are being destroyed in America by a man you had supported in every way for more than five decades, and I have sacrificed my life for my beloved people the human race. I am like Jesus Christ here. I am not even Christian, and I see now clearly why anyone at all would even consider giving his life not only for my family and closest friends; not only for any subset of American population who happen to hold some of my political views, but for my beloved people the human race.

You know, I never had a "Christ complex". I did believe from early childhood that I was born to contribute and gift the human race with something good. But I did not believe I was going to be a martyr without cause.

Do you really think that you are intelligent, United States Government? Do you want to be the Roman soldiers who put Christ on the Cross? You are quite brave, I will admit that.

Thank you,
Zulfikar Moinuddin Ahmed
