

BILL GATES IS A HABITUAL RACIAL MURDERER NOT ANY PHILANTHROPIST

Bill Gates has been in my meta for more than a year and a half now. He is a *racial murderer* from an early age. He was *never* a good man or a philanthropist. He is a white supremacist racial murderer all his life.

I am annoyed that a racial murderer is a tycoon in America. United States Government is given a very short window of time to totally destroy, kill and burn the flesh of Bill Gates. I will otherwise judge against United States and erase United States of America from annals of history.

You don't have forever.

That's true. Chief Justice John Roberts impressed me as a great Republic leader. This, as you all know is a Classical Liberal Multi-Ethnic Democratic Republic, which was one of the greatest advances in the Western Civilisation. I am American, with USCIS# 046-077-179 – although Bill Gates lied to his cronies high in US Executive Branch and told them my papers were forged in order to destroy and murder me with illicit illegitimate powers. He invaded my personal blood meta and Deep Interior with (a) US War Power, (b) US Industrial Power, (c) White Racial Power, and (d) European Black Magic forbidden from thirteenth century. He almost killed me a number of times. By November 4 2020 he had done so much damage to my health and career that the Royal Menders of Queen Elizabeth assessed that *any Bengali man* ought to have perished physically. But I lived on and Bill Gates has not relented. He believes that he has a 'white right' to kill and harm non-white people on American Soil.

Now I am not impressed with the reaction of United States Government. I hold these truths to be self-evident that all men are created equal, that they are endowed with their Creator certain inalienable rights, that among them are Life, Liberty, and pursuit of Happiness, and that governments are instituted among men to secure them. United States Government was beholden to respond *against the vile racial murderer Bill Gates* and eliminate the threat to my natural rights. But they did not. And this is a grave failure of the government of this great nation.
