REMINDS THE UNITED STATES GOVERNMENT THAT
OTHER NATIONS HAVE DIRECT KNOWLEDGE OF BILL

United States Government,

If the nation is delegitimised from your refusal to destroy Bill Gates and his Evil Empire after horrible evil savage barbaric abominable disgusting things that he has done which are intolerable and destroys my life, after he has sabotaged my legitimate income of \$620 million from Finance and you did not destroy this extreme racial criminal you bear the responsibility for your fate. You have been warned for more than a year that you are obligated to destroy racial murderers and Nazi Butchers like him. Obviously I will trust Sweden, India, China, and France much more than you for doing what is right here. I am quite familiar with how you dealt with the horrific evil murderers of Mai Lai Massacre in 1968.

You want legitimacy and respect from the world, well you better show that you are *deserving* of legitimacy and respect United States Government. You have not impressed Zulf with your efforts at all.

If you still want to be close allies and collaborators with a man who is a much much much more destructive, savage, and barbaric Master Race Nazi Butcher than everyone executed in Nuremberg Trials, i.e. *Bill Gates*, you will get what you deserve.

Thanks,
Zulfikar Moinuddin Ahmed
