United States Government,

My sleep has been damaged beyond any repair now for more than a year by this evil white supremacist war criminal Bill Gates. He had been considering various things to harm me after he invaded my eye with your complicity and invaded my blood meta, destroyed my Finance career, and sabotaged legitimate income from Finance and then sabotaged my Harvard-Stanford tenure requests.

You have deliberately decided to let me continue, despite my American Permanent Residency from 1996.

His considers are not just disruptive of my sleep but have have physical harm as well. My American Dream had been severely damaged.

No other nation, not even the poor countries with economic problems, would have done anything other than destroy this lifelong murderer Bill Gates. You have, in this case, violated the sacred United States Constitution, more specifically the US Declaration of Independence Preamble, that explicitly states that governments are instituted among men to secure natural rights, in order to collude with a lifelong charlatan, pathological liar, and a deceiver of the American People and the world, this *Bill Gates* to harm my natural rights and American Dream.

I have asked United Nations Secretary-General Antonio Guterres to evaluate the legitimacy of the United States of America for these reasons.

I am a man of great Conscience, and infer from your vile behaviour that you are not serious about Universal Natural Rights, for if you were, you would not have

colluded with a criminal to act against a legitimate law-abiding American; I do not believe you can be trusted to respect natural rights of 330 million Americans and 7.8 billion people of this world. You have been found wanting in serious matters, and so I will do what is necessary to secure natural rights of 7.8 billion, which include erasing the United States of America with a better situation for all people.

I have warned you many times. I have asked for funding and tenure from HSOC, Harvard-Stanford-Oxford-Cambridge and they are having trouble as well because of your miserably bad decision to assist Bill Gates, a dyed-in-the-wool violent criminal gain wealth and power till he is an enemy of the state and of the American People and yet you do nothing to eliminate him.

These illegitimate and intolerable decisions, the grave injustice that you represent, are intolerable, and you will have to pay the consequences of your insolent and criminal actions.

I am living with my aunt and she wants to sell the house and wants myself and my brother to leave. I do not have enough money to afford reasonable housing even with blockade of all my earnings by this criminal Bill Gates. I will obviously blame Bill Gates and yourselves, the United States Government, for not securing my private property \$620 million owed to me by Finance, or any of my other natural rights.

The harm that Bill Gates has done to me are not just war crimes but he has malevolently and without any right harmed my livelihood claiming 'white conquest rights' which do not exist. All harm to my livelihood and life will also cost you greatly in the trillions of dollars in range after you are found guilty in international forums. The world will benefit when you are found guilty.

Thank you,

Zulfikar Moinuddin Ahmed
