

OPEN LETTER TO UNITED STATES GOVERNMENT

ZULFIKAR MOINUDDIN AHMED
ZULFIKAR.AHMED@GMAIL.COM

Dear United States Government,

I have warned you a number of times to secure my natural rights against Bill Gates. He is still constantly aggressively intruding in my sleep and life.

I am getting mighty annoyed.

Let me be more clear to you. If United States does not destroy Bill Gates I will totally destroy United States of America permanently. I am quite capable of it. I love the country but Bill Gates does not believe in natural rights. You don't have much time. I am quite capable of totally destroying the United States of America. You don't have much time ok?

1. REMEDIES: UNITED STATES MUST SECURE MY NATURAL RIGHTS WHICH MEANS ENSURING BILL GATES CANNOT EXERCISE POWER OVER ME AT ALL

Bill Gates is a lower type of male than myself. My education and Virtues are superior to his. I have Aristocratic lineage and he is peasant-born. He is inferior to me. He is inferior to me. He is inferior to me and I am superior to him. I am superior to Bill Gates. I am superior to Bill Gates. I am superior to Bill Gates. I will totally destroy the United States of America if I have to tolerate this insignificant illiterate hick moron Bill Gates any longer.

I have three ladies who love me without me having finances – Bill Gates blockaded \$620 million of legitimate income from Finance. Bill Gates pays money for women. He's a third rate lower type of man. I am a superior man of superior virtue and Nobler and greater achievements. I am superior to Bill Gates. Bill Gates' wife of many years left him. He's a failure as a man. He's inferior.

I am superior to Bill Gates as a man and in every Virtue.

Let's look at my Virtues over here.

This is my photograph from February 11 2022.

Date: February 11, 2022.

I am a *Superior Male* than Bill Gates. He is a *deceiving charlatan* who is bereft of any Virtue, who lies all the time in public while I am Noble and just and good. I am more like King Arthur and the Knights of the Round Table and he is literally an Evil Sorceror who is intent to sink the world into Dystopia.

2. UNITED STATES OF AMERICA WILL NOT EXIST IN A YEAR OR TWO IF
BILL GATES IS NOT TOTALLY DESTROYED

Bill Gates harmed my exoskeleton with US Industrial Power applied illegitimately during a Harvard tenure consider and harmed me in various other ways. I have repeatedly requested that he be totally destroyed and United States Government has not complied. My papers are here.

My health might never recover at all from *physical injury to my body* by excessive use of illegitimate power by a man who has for his entire life plotted and committed

harm to non-white people. He is a racial mass murderer plotting harm to 100 million non-white Americans and 4.5 billion Asians.

Unless United States Government totally destroys him and confiscates all his property, I will be forced from rational self-interest to secure my own natural rights of Life, Liberty and pursuit of Happiness and permanently delegitimise the United States of America. The US Declaration of Independence Preamble stipulates that the purpose of government is to secure our natural rights. Unless you provide this service, United States Government, which, in this case obligates you to totally destroy and dispossess *Bill Gates*, then you have no legitimate right to exist at all. You cannot bamboozle the world with rhetoric about natural rights, human rights and then on the most obvious case of criminal aggression by someone who has been a total charlatan, who admits to using Black Magic all his life, you refuse to eliminate the threat. You cannot exist at all unless you conform to your charter.

3. OUT OF 330 MILLION AMERICANS NO ONE WOULD TOLERATE GOVERNMENT REFUSING TO ELIMINATE THREATS TO OUR NATURAL RIGHTS

Bill Gates is a proven criminal murderer. He has in meta gloated about killing 'little guys' in masses in the last four decades. United States Government is put on warning for the extinction of the entire nation in short order unless you satisfy me that you are in compliance with US Declaration of Independence Preamble. Unless there is a Constitutional Amendment to change this by legitimate process, the *legitimacy of the United States Government* is totally dependent on your compliance to the Charter, which is not just US Constitution but also US Declaration of Independence Preamble. These have logical consequences. If an American is assaulted by illegitimate powers wielded by anyone, it is the governments Constitutional duty to eliminate the threat. Bill Gates is assaulting my Life, Liberty, pursuit of Happiness, career, finances, and so either (a) *totally destroy Bill Gates* or (b) lose legitimacy and United States of America does not need to exist. You cannot continue to be a corrupt government supporting murderous criminals any longer.

4. STRONG RACIAL BIAS IN UNITED STATES GOVERNMENT IS OBVIOUS

From 1945 when United States used atomic bombs in Hiroshima and Nagasaki, United States conducted destructive wars without cause in Korea, in Vietnam, and for past two decades in Iraq and Afghanistan. Now in the country Bill Gates has invaded my Blood Meta and Deep Interior with US Industrial and War Power and I am an Asian-American. Obviously the rational judgment is that United States Government, around 70% of higher officials being white is *strongly racially biased and hold genocidal intentions towards Asians*. This accusation is extremely easy to sustain by examining history of Japanese-Americans confined to concentration camps, lynchings of black Americans that only stopped after 1940s, and now the *complicity of United States Government* with Bill Gates who has a sinister and destructive racial order plan and has explicitly targeted me for destruction of life, career, and American Dream. If you wish continued existence of United States of America, you have to prove to me and to the world that you are not plotting genocidal secret wars against Asians here at home and in Eurasia.

5. WHAT GOVERNMENT OF ASIA OR EUROPE WILL CONSIDER AMERICAN GOVERNMENT WHEN IT CANNOT REMOVE MALEVOLENT CRIMINAL ELEMENTS?

Bill Gates is a total fraud and charlatan career criminal. Asia knows the particular supporters of Bill Gates who allowed him to continue harming me with (a) US War Power, (b) White Racial Power, (c) US Industrial Power, and (d) European Black Magic Power breaching my Blood Meta, disrupting my career meta in Finance and obstructing my \$620 million in legitimate earning, and destroying family heirlooms from my ethnic meta, and employing Enslavement and Conquest meta while they let him continue. Who will think that the United States Government is a legitimate government after this. You have very short period of time to (a) fix all damage done to my person by Bill Gates, and (b) totally destroy this malevolent criminal Bill Gates. Microsoft and other technology giants are 40% Asian. What makes these morons who support Bill Gates in US Government think that letting Bill Gates run amok harming Asian-Americans like me will be good for United States?

6. BILL GATES HAS SO MUCH HARM TO MY PERSON AND LIFE THAT DELEGITIMISATION OF UNITED STATES IS FAIRLY STRAIGHTFORWARD NOW

Look, United States of America is not eternal and unchanging like the laws of physics. It is an organisation whose legitimacy is *contingent*. It has a good charter that includes some principles and the government is a group of people charged with following those principles. The central principle is Universal Natural Rights of all human beings. Let me refresh your memory.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.

I am American by (a) life here between 1987-2022 since I was a young boy, and (b) by Permanent Residency USCIS# 046-077-179, (c) my own adherence and faith in the above statement, that I hold these truths as self-evident. Now usually I am not suspicious about the functioning of American government. I am a New York man and my spiritual home is not Allen Texas but Mission District San Francisco. I love America.

Bill Gates is a *fly in the ointment of America*. He's a huckster charlatan who made some money. I didn't know much about him and have never met him. I worked with Christopher Thorpe more than a decade ago and he had an internship in Microsoft early in his career. I have registered my own company, Thysself Inc. by Incfile and was raising capital. Bill Gates showed up only in *meta* and began harming me. Asia and England and France and Germany are all able to consider the harm done by Bill Gates to me. So United States will get absolutely no sympathy at all if it is felt by all nations that United States Government is so corrupt that they are supporting a White Master Race theorist without a college degree who believes that white people exist to cause misery and harm and destruction to non-white people and Hammurabi was white and such rubbish. I am a Princetonian and I do

serious work. I don't actually have time for this sort of lower-end of scrubhood like Bill Gates. He's totally ill educated and holds opinions than pizza-delivery guys and hamburger flippers would be embarrassed to hold ok? Totally destroy this miserable wretched scumbag or at least take action to fix damage to my life by him or become history. No one needs an organisation that is bamboozling the world pretending to be following their charter while in fact supporting every manner of criminal murderers and racial scum of planet Earth.

7. I AM LEVERAGING THE CLOUT OF THOMAS JEFFERSON IN UNITED STATES GOVERNMENT

Thomas Jefferson, one of the authors of the US Declaration of Independence significantly expanded on John Locke's more primitive theory of Natural Rights and the Preamble of US Declaration of Independence was penned by him and some others. The point is that I am not using my *own* clout here but leveraging that of Thomas Jefferson. I have my own innovations in Classical Liberal political philosophy but those I am not using to encourage United States Government to hold Bill Gates accountable for heinous and horrific crimes against myself, an Asian-American on grounds that US Government does not have an option here but to respond with destruction of Bill Gates because there are many parties able to vouch for his harm to my natural rights and also he is an explicit and confessed threat to 100 million non-white Americans as his lifelong dream and conviction had been a White Ruled World Order that strongly contradicts the basis of United States of America.

8. LOOK MY LIFE IS THREATENED SO I DON'T GIVE A DAMN

United States Government has historically *invariably* supported criminal mass murderers against good people for more than a century. I am the good person here and Bill Gates is the criminal mass murderer so I am obviously paranoid that you will repeat your habits. I want all Asian countries to consider all harm done to me and blame US Government for all of it immediately. The *only time* US Government does anything remotely right is under *intense international pressure and moral shaming non-stop 24-7* so I want that right away. Huge amounts of moral shaming of all American Government White people is necessary to recover my American Dream and get my life back together. Bill Gates will be coddled to the very end by this government so we need to pump up the pressure with constant reminder of death toll by drones in Asia, that Muslims had nothing to do with it but US Government lied about Iraq's nonexistent nuclear arsenal, and their record in genocide of native Americans, the horrors of Mai Lai massacre in Vietnam and so on.
