UNITED STATES GOVERNMENT**

Bill Gates,

I am surprised that you Demons do not have even rudimentary memories of your past lives in other worlds at all. I remember many Angelic Worlds, and some Demonic Worlds too. You, Bill Gates, are a Demon.

Now you see, I have met many Demons in many worlds, and I even admire and respect some Demon Lords. They have shown great cultivation and they are worthy of even the respect and honour from an Archangel of Heaven.

Alas, you are not one of them.

You are in the wrong world, kiddo. You're a lost Demon in an Angelic World, and so confused that you think all *white people are Demons just like you*. Well, they are not, Bill Gates. I know this well.

This world is inhabited by Primitive Angelic Race known as *human beings* by themselves, or *homo sapiens* because they think they know all sorts of things. We Angels never get too involved. If it helps them, let them call themselves *Sapiens*. Over around 8 million years of separate evolution from other great apes, these human beings, they learned that there exist objective truth that is independent of their subjective assessment.

I am not a wealthy man. I legitimately earned \$620 million which you illegitimately obstructed so that we will see. But the reason my word counts for many of these Sapiens, is that they have *crossed the threshold of development to objective truth*.

You are a Demon, so you have other reasons for having troubles with truth beyond simple primitive lack of catching up with these homo sapiens. Demons should not be born in human bodies at all. It's horrific disrespect to the human genetic heritage.

I am very fond of this *Human Race*, Demon. I don't like your efforts to harm them. I dislike this quite a bit. One day Human Race will join us among the Choir of the Archangels, and we don't like Demons disrupting their development. They have potential. And you don't because you don't even belong here. We don't appreciate Demons trying to rule in our turf, Demon. Do you understand? This is our turf, not yours, so kindly either stop all this non-white genocide nonsense, or kill yourself. I have asked the United States Government to destroy you.

There are *plenty* of Demonic Worlds in the universe and you can fit into them with less confusion. So why don't you plan a trip, Bill Gates? Demons do not belong in our turf, you see. You don't belong with an Angelic Race at all.

Sincerely,

Zulfikar Moinuddin Ahmed
